# Investing for Success

**Under this agreement for 2020**

*Mount Ommaney Special school will receive*  

**$56,326**

**This funding will be used to**

- Increase the allocated ratio of support to ensure students with multiple impairment needs and students with highly complex behaviours are receiving the necessary support to be safe and engaged in learning.
- Ensure 100% of classrooms have access to the modified and adapted equipment they need to participate in learning.
- Target parent engagement to increase parent satisfaction levels about knowledge of our school curriculum, assessment and reporting framework and practices. Satisfaction targets to meet at least statewide average.
- Ensure targeted celebration and education support to staff and parents through the development of use of video teaching tools and education vignettes.

**Our initiatives include**

- Developing video ‘celebrate and educate vignettes’ to strengthen school community understanding and engagement in our curriculum, assessment and reporting, Alternative and Augmentative Communication (AAC) systems and the Roadmap of Communicative Competence (ROCC), and the essential features of Positive Behaviour for Learning (PB4L) to engage all students in school wide behaviour support approach.
- Recruit and train additional staff to meet the specific and highly complex needs of all students within our school.
- Purchase relevant and individualised resources to support the teaching and learning of every student. These purchases include interactive television, iPads and specialised software to assist in communication and emerging literacy skills.

**Our school will improve student outcomes by**
