

# Investing for Success

**Under this agreement for 2022  
Mount Ommaney Special School will receive**

**\$64 587\***

## This funding will be used to

- Employ an additional 40 hours of teacher aide time to ensure safe and appropriate teaching and learning opportunities for all students.
- Additional teacher aide support will prioritise specialised health and behaviour support priorities throughout the school.
- Assist in costs associated with providing required PPE (Personal Protective Equipment) as per guidelines for special schools to improve access to a safe and supportive learning and work environment for students and staff.

## Our initiatives include

- Increasing the ratio of support to ensure students with multiple and complex learning and health needs are receiving the necessary support to be safe and engaged in learning.
- Necessary PPE equipment purchased and allocated to each of our learning teams (HUB's) to ensure safe work practices in our school.

## Our school will improve student outcomes by

Recruiting and training additional and specialist teacher aide support to assist in positive school wide behaviour and to support students with complex medical and personal care needs.	\$60 587
Providing appropriate supplies of PPE equipment and training to staff to ensure safe work practices during specialised health, behaviour and personal care support as detailed by DoE guidelines for special schools.	\$ 4 000
